

## **Weir Holiday Park Access Statement**

Weir Holiday Park is situated in Stamford Bridge, 8 miles from the City of York. The site is located on an inland island in the River Derwent and is accessed over a bridge suitable for pedestrians and vehicles.

The site caters for campers and caravanners; we also have a number of holiday homes and a self catering apartment. The apartment and one of our holiday homes are specifically suitable for wheelchair users. Other holiday homes are accessible by wheelchair and mobility impaired visitors but assistance may be required.

The nearest railway station is in York. Taxis and buses are available from the station. Some of the buses are wheelchair friendly. The nearest bus stop is 3 minutes from the Holiday Park.

On arrival visitors should report to reception. There is a car parking space outside and there are steps to the reception area. The car park and access ramp are tarmac.

The door into the reception area is 750mm wide and the reception area is level throughout and carpeted.

Weir Holiday Park has numerous holiday homes for hire. One of our homes is designed wheelchair friendly. The main door is 750mm wide; to the master bedroom the door is 720mm wide; the second bedroom door is 500mm wide. The bathroom door is 700mm wide. The bedroom and bathroom both have sliding doors. There is a seat in the shower for additional comfort and safety. Access to this holiday home is either by 8 steps or via a ramp.

Weir Holiday Park also has an apartment that is wheelchair friendly that is available for hire. There is a lift suitable for wheelchair use to access this first floor apartment, or 19 steps. The main entrance door is 800mm wide; the lounge has double doors at 1300mm wide. The door into the master bedroom is 780mm; and into the second and third bedrooms, 870mm. The bathroom door is 870mm wide.

Touring pitches have hard standing (subject to availability – please request when making your booking). Parking is permitted alongside the caravan.

Facilities on the site are clearly signed and include: water points, dustbin and recycling areas; chemical toilet disposal points; and a launderette.

There is one toilet block and this is positioned on the island. Parking is available at the toilet blocks. There is a large shower room accessible for wheelchair users, plus three toilets and one bath. The toilets are unisex. The entrance to the toilet block is level.

The Laundrette features top loading washing machines, tumble dryers, an iron and an ironing board, for use in a standing position.

The grounds around Weir Holiday Park are flat and the pathways are tarmac, allowing for wheelchair access. There are areas of grassland and these are rugged underfoot.
